

**AUTUMN TERM 2019**

# **BLUEBRIDGE BUDDIES**

## **NEWSLETTER**

*Fun, kind, sharing!  
I love to draw, and  
cooking fresh  
ingredients!*

**Welcome to our ASC newsletter, which you will receive every school term. This will include our theme of the term, and what exciting activities we have planned for your children.**

*Root vegetable soup, apple  
cumble, baked apples.*

*We have lots of  
exciting creative  
activities!*

**Our topic this half term was 'Healthy Eating'.** These are some of the fun activities: The children discussed the benefits of healthy eating and the disadvantages of unhealthy eating. They designed a fruit bunting and used paper plates to illustrating their own healthy food ideas, ☺ as well as unhealthy food. ☹ We also had great fun picking fruit and vegetables from our allotment, which enabled us to cook delicious recipes.

**Best of all we cooked lots of goodies: 'Allotment Produce.'** We made delicious apple crumble and a winter root vegetable soup, with homemade croutons. One of our parents donated yummy eating apples from their apple tree, enabling us to make baked sweet apples. 

**Towards the end of the term:** To commemorate black history month, the children created an image of their favorite pioneer, using vibrated colours and textiles.

**Our next topic will be: 'Celebrations/festivities'.**

**Taster of Upcoming activities:** The children will be using vibrant colours and textiles to create a firework and Christmas collage. We will also be looking at celebrations around the world, including Thanksgiving, Diwali and Chinese new-year.

**Christmas:** The children will be making Christmas decorations, 3D Christmas cards and calendars. Best of all we will be baking Christmas biscuits.

### **REMINDERS:**

Now the colder weather is approaching could all parent/carers please ensure your child have suitable warm outdoor clothing.

We would like to wish everyone a lovely Half-term  
ASC team.
