

The **green** text is what I would like to you to complete as a minimum as the tasks are related to the topics that we would be learning about now in school. Our current topic is: THE ANCIENT EGYPTIANS.

White Rose Maths- you still access the video tutorials on the website then you need to get the worksheets from our school website.

PADLET – I have started a new page so please use the new link below. Remember to check back along the timeline to see my comments ☺

Please upload pictures of your work or just say 'hi' on our Padlet page with your individual number:

Week 11 Darwin Class	
Maths	Reading
<p>Watch these tutorials (summer term week 8) starting with ORDERING FRACTIONS. Remember that as we started a little later, we are one week behind.</p> <p>Complete the worksheets. There is no need to print them out, you could just look at the worksheet on the screen then on a piece of paper, write the numbers of the question out with the answer next to it. Watch one tutorial a day.</p> <ul style="list-style-type: none"> • Play some maths games on IXL • Try these NRICH games • Recap 2,3,4,5,8,10 times table • Practise reading scales by measuring the mass and capacity of ingredients in a home baking recipe. Use maths to calculate measurement totals or convert between units of measure. • Mathletics • Play on Hit the Button. 	<ul style="list-style-type: none"> • Use Oxford Owl to read books of your choice. Complete the activities in the books (if there are any). Every child has their own individual log-in. • Discover some new ebooks with The Book Trust • Read a different type of text from you usual. It could be a comic, magazine, newspaper etc • Listen to a David Walliams audio book reading
Spelling	English
<p>Learn to spell these words: invention injection action hesitation completion</p> <p>Can you think of other suffixes to add to the root words to alter the meanings e.g. invent+ing= inventing, invent+ed= invented.</p> <p>Practise them writing them in a series of dots like this one:</p> <p>Awesome!</p> <ul style="list-style-type: none"> • Practise the Year 3/4 for Common Exception words by playing this game. 	<p>Follow the 5 daily lessons on:</p> <p>LETTER with a focus on subordinating clauses Oak National Academy</p> <p>You should do one lesson each day</p> <ul style="list-style-type: none"> • Take part in a writing master class • Practise phonics by playing fun games

<ul style="list-style-type: none"> • Practise your spelling on Spelling Frame 	
Science	RE
<p>Topic: Rocks Look at the Soil Formation power point (school website)</p> <p>Complete worksheet (school website) If you do not have access to a printer, you just need to answer the questions on paper.</p>	<p>Topic: People from the Old Testament</p> <p>Look at the Ruth document (school website)</p> <p>Listen to the story then write about a time when you have put somebody before yourself.</p>
PE	History
<p>Disney 10 minute shakeups BBC Super movers This is PE Joe Wicks Ballet Coach GoNoodle</p>	<p>Continue on this Ancient Egyptian virtual museum tour. Complete more pages in your passport to Ancient Egypt (school website).</p> <p>I do not expect you to complete this all in one go – you could do a gallery at a time and spread it out over a few weeks.</p>
Computing	ART
<p>As the children are using technology such as tablets and laptops a lot more frequently than usual, it is important that they remember to stay safe online. Childnet International can help with this.</p>	<p>Follow one of these DrawWithRob drawing tutorials</p>
